The 13TH Annual Investment Meeting

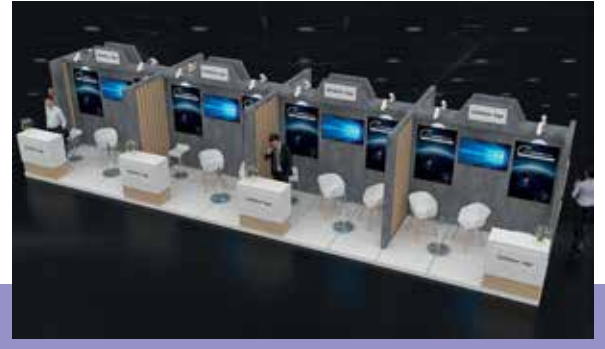

7 - 9 May 2024 | Abu Dhabi, United Arab Emirates

Future Cities Pillar

The AIM Congress Future Cities Pillar is designed as a dynamic platform focused on advancing urban development through innovation and technology. Its goal is to showcase and emphasize a diverse array of smart city projects from across the globe, serving as real-world illustrations of how technology and innovation are enhancing the quality of life in urban environments. Additionally, the platform will provide an opportunity for solution providers in the smart cities space to exhibit their innovative solutions and technologies. This includes companies specializing in IoT, data analytics, artificial intelligence, sustainable energy, and other cutting-edge fields.
